UNIT STACKABILITY

The Edge Modular Range has been specifically designed to allow units to be stacked on top of each other. Adding to the 5mm modular systems versatility the units can be stacked to create numerous configurations.

Example Stacked Arrangement:

*interchangeable stacking top panel required at time of assembly and must be advised at time of order.

STEELCO HYBRID PEDESTAL

A sleek addition to the Steelco Edge Modular Range, the Hybrid Pedestal seamlessly fits alongside the rest of the Edge Modular Range. Featuring a 5mm slim edge and two-finish steel and laminate construction, the Hybrid Pedestal fits into any modern office space with ease.
